

## **MFP Automation Engineering Parker Store Return Policy:**

- MFP Automation Engineering reserves the right to accept any returns, modifications or cancellations per our standard Terms & Conditions outlined on [www.mifp.com/](http://www.mifp.com/)
- No Returns will be accepted beyond 30-days of the original transaction date
- All Return requests will require an inspection of the product and packaging integrity
- A Restock fee of 20% or \$50, whichever is greater, will be required for all Returns accepted following the inspection
- If the return is deemed an MFP error, Restock fee will not apply
- If product is considered non-returnable, Customer will be notified and given the opportunity to pick-up the parts requested to be returned. Product will be disposed of after a period of 30-days following the notification that MFP will not accept the return.
